LEGISLATIVE REQUIREMENT

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

APPLICABLE LAW

This Agreement has been negotiated pursuant to the provisions of the Public Employees' Fair Employment Act and is governed by the provisions of the law of the State of New York, the laws of the United States and non-conflicting local laws and ordinances of the Village.

ARTICLE I

RECOGNITION

The Village recognizes the PBA as the sole and exclusive representative and bargaining agent for all police officers in the negotiating unit as defined by NYS Public Employment Relations Board certification of Representative dated February 10, 1982. During the term of agreement, the Village will not negotiate with any other organization on behalf of Police Officers other than the PBA.

ARTICLE II

AGENCY SHOP

Section 1 - The PBA having been recognized or certified as the exclusive representative of police officers within the negotiating unit, shall be entitled to have deductions made from the wage or salary of members of said bargaining unit who are not members of PBA in an amount equivalent to the dues levied by PBA for the purpose of negotiating and administering the provisions of this Agreement. The Village shall make such deductions and transmit the sum so deducted to the Treasurer of the East Aurora Quaker Club Police Benevolent Association, 571 Main Street, East Aurora, New York 14052.

Section 2 - A police officer wishing to withdraw his membership from the PBA shall notify the Village Clerk-Treasurer in writing at least seven (7) days prior to effective date that his said Association membership is to cease. ARTICLE III

Failure to present such a grievance as provided herein shall result in a waiver of all rights involved.
- b) To maintain discipline and efficiency of employees.
- c) To determine schedules of work including overtime. If overtime scheduling would produce more efficient operation of the Police Department in the opinion of the Chief of Police, any overtime so scheduled shall be paid for as provided in Section 4 of Article XX of this Agreement.
- d) To contract for the performance of any of its services and increase or decrease the scope thereof.
- e) To install or remove equipment.

In making his/her determination, the Chief of Police will consider such factors as minimal staffing levels, anticipated peak workloads, emergency circumstances, the availability of substitute staff, and other relevant factors that may exist. Neither personal leave nor vacation will be substituted in the event a compensatory time request is denied.

Each officer with twenty (20) or more years of service including at least fifteen (15) years of service with the Village of East Aurora Police Department shall be entitled to convert up to one hundred twenty-five (125) accumulated sick days to cash upon retirement or leaving of employment. For each year of service beyond twenty (20) years, such officer may convert an additional ten (10) days of accumulated sick days.

An officer who retires with an accidental disability or performance of duty retirement may convert to cash up to one hundred twenty-five (125) accumulated sick days without requirement that he complete twenty (20) years of service and without requirement that at least fifteen (15) of those years be with the East Aurora Police Department.

For officers hired on or after December 5, 2006, the following applies:

Each officer with twenty (20) or more years of service including at least fifteen (15) with the Village of East Aurora Police Department shall be entitled to convert up to one hundred twenty-five (125) accumulated sick days to cash upon retirement or leaving of employment. Days in excess of one hundred sixty-five may be converted to cash.

Section 4 - Bereavement Leave

A police officer will be entitled to bereavement leave upon the death of a member of his immediate family, upon his request, and will be granted time off without loss of pay or other benefits for four (4) working days immediately following the death of the family member. Additional time off for this reason may be taken with the approval of the Chief of Police and deducted from the police officer's vacation leave. Immediate family will include wife, husband, child, mother, mother-in-law, father, father-in-law, brother, sister, grandparents, step-child, step-mother, step-father, step-brother, step-sister, or other relatives residing in the police officer's household.

Section 3 - The Village agrees to provide and pay the full cost of medical and health insurance coverage for all police officers covered by this Agreement after their retirement from the Village for a period of ten (10) years as members of the same medical and health insurance

plan provided for active Village employees. The ten (10) years of Village paid coverage above shall be extended by one year for each year of Village service beyond ten (10) years. This extended period of coverage will not be available if an officer or his spouse has available comparable paid health insurance coverage from any source other than the Village (other coverage does not mean eligible for government programs such as Medicaid)

Notwithstanding the foregoing, an officer who is hired on or after May 31, 2000, who thereafter retires and who is otherwise eligible for medical and health insurance shall contribute the sum of \$7.50 per month for individual coverage or the sum of \$15.00 per month for family coverage.

The above obligations, however, shall cease upon a member reaching the age of 65. A police officer shall have the duty to demonstrate to the Village in written form that comparable coverage is not available.

Any dispute as to what constitutes "comparable" coverage shall be referred to a mutually acceptable impartial arbitrator for basic determination or adjustments, as the case may be.

In the event alternative health coverage contemplated in this section shall end within the coverage period, a member shall be entitled to Village coverage for the period remaining.

In the event a police officer is required to retire from Village employment by reason of illness or disability before attaining fifty-five (55) years of age, the Village agrees to consider the providing of such medical and health insurance coverage for the disabled, retired police officer after review of the circumstances causing such illness or disability.

The Village shall make such payment to the deferred compensation program on or about June 1 of each year (at the start of the Village's fiscal year), upon receipt of appropriate advance written notice (no later than March 1) from the members.

In addition, members are entitled to convert any overtime pay, holiday pay, or accumulated compensatory time (to the extent permitted in accordance with Article XII, Section 2b) to the deferred compensation program upon receipt of appropriate advance written notice from the members.

The Village agrees to provide an accounting mechanism through itself or an authorized agency to provide members with an accounting of each member's deferred compensation account on an annual basis. The Village and PBA agree to examine the possibility of expanding the number of plans and companies authorized to accept deferred compensation contributions from members.

Section 6 - The Village shall maintain Retirement Benefit 341- j, allowance for unused Sick Leave Plan.
